

July 2012

Here are the lyrics to my song about child car seat installation and use.

A youtube music video is at <http://youtu.be/k01wpRYi-eo>

With Restraints (to The Doors tune – People are Strange)

Cuddly new infant, A first time parent

Many decisions, Anxiety

Bottle or Breastfed, Crib or family bed

One thing's for certain, car seat safety

Chorus:

Get the Guide, The Scottish Good Egg Safety Guide

Keeps my kid safe on the ride

With restraints, With restraints, With restraints, Oh yeah

Porridge or haggis, Organic or process

Daycare or recess, I don't have a clue

Ballet or yoga, onesie or toga

Thank goodness the egg guide tells me what to do

Chorus:

Get the Guide, The Scottish Good Egg Safety Guide

Keeps my kid safe on the ride

With restraints, With restraints, With restraints, Oh yeah

Nappies or diapers, drummers or pipers

Boosters or buckets, what does the kid weigh

Front seat or back seat, the egg guide can't be beat

Chorus:

Get the Guide, The Scottish Good Egg Safety Guide

Keeps my kid safe on the ride

With restraints, With restraints, With restraints !
